**NOTES:** Please note the dates of special celebrations, in particular Palm Sunday Weekend, Easter Weekend and the school graduations. We are still in need of one more server for the Easter Vigil.

Reminder that if your child is unable to serve at their appointed time, it is YOUR responsibility to find a substitute. Please do not leave Father without servers. Thank you for your cooperation.

As you can see there are several dates in which volunteers are needed. If you can help fill these spots or know someone who can, I would greatly appreciate it. WE ARE ALWAYS IN NEED OF MORE SERVERS! Please help spread the word and encourage those currently not serving to join this important and fulfilling ministry. Any parishioner who has received First Communion through high school age is eligible to serve Mass.

Any concerns, contact Brian at 618-708-1381. Thank you for your ministry!
